Hennepin County

Trees and forests learning series

Hennepin County forestry is offering free monthly learning opportunities about trees and forests for residents. These sessions require no previous knowledge and are open to the public.

Find out details and register to attend a session: **HennepinCounty.gov/trees**

Family tree seed art

Monday, November 23
from 6 to 8 p.m.
at Golden Valley Library

Join us for this all-ages workshop to create seed art using seeds collected from trees across Hennepin County! Materials will be provided, and community members can optionally bring additional art supplies. Hennepin County foresters will provide instruction and guidance. This will be an opportunity to create artwork to bring home and to get to know what trees and plants these seeds come from! This workshop will be held in the large Meeting Room at Golden Valley Library.

Winter tree identification walk

Saturday, December 19
from 11 a.m. to noon
at Powderhorn Park

Join experts to learn how to identify common species of trees in the winter. Participants will learn skills for winter tree identification using the characteristics still visible in the dormant season and how to access helpful resources to continue to get to know the species around you.

This workshop will be held outdoors at Powderhorn Park in Minneapolis. We will meet in the parking lot outside the recreation center on 15th Avenue.

Tree selection

Thursday, January 7
from 6 to 7:30 p.m.
at St. Louis Park Library

Interested in planting a tree in the spring? Join Hennepin County Foresters to learn about how to select the right tree species to plant for your planting location! We will discuss many factors you should consider when planning to plant a tree, resources on recommended tree species for Hennepin County, and tree care. This workshop will be held inside St. Louis Park Library in the meeting room.

Hennepin County is an equal opportunity provider.

Funding provided by the Inflation Reduction Act and USDA Forest Service.
